**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a residential subscriber and my carrier, Sonic, uses unbundled copper and inter-city fiber transport elements to compete in the residential marketplace. Sonic gives great service and for them to continue to be competitive they need to be able to compete on an even footing. Please don't cater to the big companies and cut off competitive access!
